

Plot in Javea

725000 €

Referentie: P0500 **Plotgrootte:** 5112m²

Plaats: Javea

Located close to the beach area and its amenities, this mostly flat plot of over 5,000m² has spectacular 270 degree views spanning from Cap Prim to Cabo San Antonio and the Montgo.

A villa of over 1,000m² build can be constructed here, or multiple dwellings if required.

A unique opportunity for an investor or private individual to acquire a plot of such size in this location.
